

PERSONAL INFORMATION

Florentina Anica PINTEA

✉ florentina.pintea@tibiscus.ro

Date of birth 07/12/1973 | Nationality Română

PROFESSIONAL EXPERIENCE

- 01.2023 – present **President of the UTT University Senate**
 "Tibiscus" University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (Romania)
<https://www.tibiscus.ro/>
*The President coordinates and moderates the Senate sessions, ensuring the proper and efficient conduct of debates and decision-making processes.
 Represents the Senate in its relations with the Rector; the Administrative Council, public authorities, institutional partners, and other academic bodies.
 Oversees the enforcement of the decisions adopted by the Senate, ensuring compliance with academic regulations and the university's strategic objectives.*
 Type or sector of activity - Education
- 06.2021 – present **Erasmus+ Institutional Coordinator, UTT**
 "Tibiscus" University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (Romania)
<https://www.erasmus.tibiscus.ro/>
*Management and coordination of the Erasmus+ program at the institutional level.
 Establishing and developing partnerships with universities and institutions abroad.
 Organizing and managing the selection process for students, academic staff, and administrative staff participating in mobility programs.
 Collecting data and preparing reports for the National Agency and other relevant authorities.*
 Type or sector of activity Education
- 03.2019 – 12.2022 **VicePresident of the UTT University Senate**
 "Tibiscus" University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (Romania)
<https://www.tibiscus.ro/>
*Substituting the President in their absence and closely collaborating to ensure the proper functioning of the University Senate's activities.
 Supervising and coordinating the activities of the Senate's committees (e.g., Quality Committee, Ethics Committee, Curriculum Committee).
 Monitoring the observance of the Senate's operating regulations and its adopted decisions, ensuring decision-making transparency and effective communication among academic structures.*
 Type or sector of activity Education
- 2021 - present **Associate Professor at the Faculty of Computer Science and Applied Informatics**
 "Tibiscus" University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (Romania)
<https://www.tibiscus.ro/>
*Designing and delivering undergraduate and graduate courses, seminars, and laboratory sessions in computer science; developing innovative teaching materials and modern learning methodologies; contributing to curriculum development and academic program improvement.
 Conducting interdisciplinary research in computer science and related fields; publishing research results in peer-reviewed journals and international conference proceedings; actively participating in national and international scientific conferences.
 Supervising bachelor's and master's theses; mentoring students in research projects and academic development; supporting student participation in scientific events and competitions.
 Contributing to faculty and university governance through participation in academic committees, quality assurance processes, and strategic development initiatives.
 Editor-in-Chief of the student journal in Multidisciplinary Informatics (2019–present) – Responsible for coordinating the editorial process, managing submissions and peer review, and overseeing the publication and dissemination of the journal.*
 Type or sector of activity Education

- 2021 – present **Associate Professor** / “Vasile Goldiș” Western University of Arad /
 2017 - 2021 **Associate Lecturer** / “Vasile Goldiș” Western University of Arad /
<https://www.uvvg.ro/>
Delivering lectures, seminars, and laboratory sessions in subjects related to Computer Science and the Teacher Training Department (DPPD), preparing teaching materials, and coordinating students’ academic activities.
Conducting scientific studies and research, publishing results in specialized journals, and participating in national and international conferences.
Supervising bachelor’s theses in Computer Science and Grade I teaching certification papers within the Teacher Training Department (DPPD), advising students, and participating in educational and research projects.
 Type or sector of activity Education
- 2019 – 2023 **Dean of the Faculty of Computer Science and Applied Informatics (FCIA) (01.03.2019 – 01.10.2023)**
 “Tibiscus” University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (Romania)
<https://www.tibiscus.ro/> , <https://fcia.tibiscus.ro/>
Coordination of academic and administrative activities – *The Dean ensures the effective organization and development of educational and research activities within the faculty, overseeing study programs, coordinating academic staff, and ensuring compliance with institutional and quality assurance standards.*
Faculty representation – *Represents the faculty in its relations with the university leadership, external institutions, academic and industry partners, as well as with students, promoting the faculty’s interests, visibility, and academic reputation.*
 Type or sector of activity Education
- 2015 – 2021 **University Lecturer**
 “Tibiscus” University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (Romania)
<http://www.tibiscus.ro/>, <https://fcia.tibiscus.ro/>
 – Delivering lectures, seminars, and laboratory sessions for undergraduate students.
 – Preparing course materials, presentations, lecture notes, and practical assignments.
 – Evaluating students through examinations, tests, and other assessment methods.
 – Conducting scientific studies and research in the field of specialization.
 – Publishing articles in specialized journals and participating in national and international conferences.
 – Participating in research projects and academic partnerships.
 Type or sector of activity Education
- 2014 – 2018 **Head of the Department of Computer Science**
 “Tibiscus” University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (Romania)
<http://www.tibiscus.ro/>, <https://fcia.tibiscus.ro/>
Coordination of teaching and research activities
 – Planning, organizing, and monitoring the delivery of lectures, seminars, and laboratory sessions.
 – Supervising the quality of the educational process and encouraging scientific research activities within the department.
Management of human and material resources
 – Assigning tasks and responsibilities to academic staff and support personnel.
 – Ensuring the availability of the necessary infrastructure and resources for teaching and research activities.
Development and implementation of the department’s strategy
 – Establishing medium- and long-term development directions in alignment with the faculty’s and university’s strategic objectives.
 – Developing partnerships with other academic institutions and with industry to attract resources and create opportunities for students and academic staff.
 Type or sector of activity Education
- 2007 – 2015 **University Assistant**
 “Tibiscus” University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (România)
<http://www.tibiscus.ro/>
Conducting laboratory sessions for courses such as Computer Architecture, Assembly Languages, Graph

Algorithms, Databases, Database Management Systems, Web Technologies, Object-Oriented Programming, Windows Application Generators, Image Processing, Computer Graphics, and Algorithms and Data Structures.

Contributing to the indexing process of the journal "Annals. Computer Science Series".

Preparing laboratory assignments and supporting academic administrative tasks, including the preparation of the faculty timetable.

Evaluating students' knowledge and practical skills acquired during laboratory sessions.

Participating in teaching-related events and presenting research papers at national and international conferences.

Type or sector of activity Education

2014 – 2015 **Education Expert** | POSDRU Project /161/2.1/G/6137512 "Cariera – provocarea mea! "Tibiscus" University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (România)

Administration, organization, and delivery of training courses.

Type or sector of activity Education

2014 **Training Lecturer** | Project PROJOB-Măsuri active de stimulare a forței de muncă în Regiunea de Vest-POSDRU/131/5.1/G/125380 – Project co-funded by the European Social Fund (ESF)

"Tibiscus" University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (România)

Delivered lectures and laboratory sessions for the course "Introduction – Basic Computer Skills."

Participated in the final assessment of students' knowledge together with the examination committee.

Type or sector of activity Education

2011 – 2013 **Training Team Assistant and Trainer** | POSDRU European Project /87/1.3/S/62626 "Centru de perfecționare a cadrelor didactice din învățământul preuniversitar în tehnici de predare multimedia"

"Tibiscus" University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (România)

Designing the structure of the training module.

Developing teaching materials for the course and laboratory "Graphics and Image Processing."

Developing teaching materials for the course and laboratory "Multimedia Application Development."

Developing teaching materials for the course and laboratory "Dynamic Software for Education."

Presenting the project during a meeting with school and high school principals organized by the Timiș County School Inspectorate.

Promoting the importance of continuous professional development for pre-university teaching staff.

Delivering laboratory sessions for the course "Creating a Web Page."

Type or sector of activity Education

2001 – 2002 **Electrical Equipment Technician**

S.C. Luxten Lighting Company S.A, Calea Buziașului nr. 26, 300693 Timișoara (România)

Ensuring the necessary equipment for the computer-based testing of electrical devices.

Type or sector of activity Electrical Engineering

EDUCATION AND TRAINING

2025 **November 2025 / From Research Idea to Published Paper with seamless access to data and literature in one place**

- Workshop, hosted by "Vasile Goldiș" Western University of Arad, and delivered by DATA SWEEP

ERASMUS Programme | Staff Mobility for Training / 22.09.2025 and 27.09.2025

UNIVERSITÀ DEGLI STUDI DI SALERNO, Salerno, Italia

- To promote international cooperation by developing long-term academic partnerships and exchanging best practices with faculty and administrative staff, fostering collaboration in teaching, research, and mobility projects

ERASMUS Programme | Staff Mobility for Training / 20/06/2025] to [27/06/2025]

EUROSUCCESS CONSULTING LIMITED – EUROSC, Nicosia, Cyprus

- Prepare for the continuation of Erasmus+ cooperation and other EU projects

- Provide training on the principles of organizing and operating a youth center

- Clarify training goals and objectives for staff and students.

- 2024 **ERASMUS Programme** | Staff Mobility for Training / 16.07.2024 and 20.07.2024
Academy “Stefan cel Mare” of the Ministry of Internal Affairs, Rep. Moldova
- *Preparing collaborative projects and tasks for all study programs at UTT.*
 - *Promoting mobility will facilitate the exchange of knowledge and ideas, fostering a more interconnected and collaborative educational environment in Europe.*
 - *Organizing student activities during their training.*
 - *Developing online courses, workshops, and resources accessible to partner institution.*
- ERASMUS Programme** | Staff Mobility for Training / 24/05/2024 and 31/05/2024.
UNIVERSITÀ DEGLI STUDI DI SALERNO, Salerno, Italia
- *Acquiring teaching/learning experience in an international context, an invaluable opportunity for educators and learners alike.*
- 2023 **ERASMUS Programme** | Staff Mobility for training / 09.01.2023 and 13.01.2023.
DAE ASSOCIATION, Barcelona, Spain
- *Organizing student activities during their training.*
 - *Preparing collaborative projects and tasks for all study programs at UTT.*
- 2017 – 2018 **Certificate of Participation**
Romanian Agency for Quality Assurance in Higher Education (ARACIS)
Project POS-CCE SMIS/CSNR 23401 “SeECIS – Education System for Quality Evaluation in Higher Education in Romania”, Timișoara (Romania)
- *Course: European Standards and Guidelines for Quality Assurance in Higher Education*
 - *Course: Overview of the Main Changes – External Evaluation Methodology, Reference Standards, and the ARACIS List of Performance Indicators*
 - *Course: Periodic External Evaluation of Master’s Degree Study Programs*
- 2014 **ERASMUS Programme** | **Staff training**
Course Presentation
- 2014 **Project Manager Certificate**
”Tibiscus” University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (România)
- Defining the requirements for integrated project management.*
 - Developing procurement procedures for the project.*
 - Managing the project team.*
 - Ensuring project quality management.*
- 2010 – 2014 **PhD Diploma in Electronic Engineering and Telecommunications** Nivelul 8 CEC
Thesis: “Contributions to the Computer-Assisted Evaluation of Psychological Tests Using Image Processing Techniques.”
Politehnica University of Timișoara – Faculty of Electronics and Telecommunications, Timișoara (Romania)
- Doctoral School: Image Processing, Mathematical Morphology, Pattern Recognition, The Tree Test within psychological testing.*
- 2011 **Train-the-Trainer Certificate**
DIDAKTICOS Association, Timișoara (Romania)
- Preparation of training activities and delivery of training sessions. Evaluation of training participants.*
 - Application of specialized training methods and techniques.*
 - Training marketing and promotion.*
 - Design and development of training programs. Organization of training programs and training internships.*
 - Evaluation, review, and quality assurance of training programs and training sessions.*
- 2007 – 2009 **Master’s Degree Diploma – Specialization in Web Design for E-Society** Nivelul 7 CEC
”Tibiscus” University of Timișoara, 6 Lascăr Catargiu Street, 300559, Timișoara (România)
- I obtained a Master’s degree in Web Design for E-Society, acquiring advanced knowledge in Web Design, Graphic Design, Digital Graphics, Website Aesthetics, Marketing and Economic Legislation, as well as Advertising Strategies. These studies provided essential competencies for the design, development, and promotion of effective and visually engaging websites.*

2008 ERASMUS Programme | Staff training

Fachhochschule Oldenburg/Ostfriesland/ Wilhelmshaven, Emden (Germany)

- Course presentation: “Computer Aided Management of Technological Processes.”
- Promoting mobility will facilitate the exchange of knowledge and ideas, fostering a more interconnected and collaborative educational environment in Europe.
- Organizing student activities during their training.

2002 – 2006 Bachelor’s Degree in Computer Science

Nivelul 6 CEC

Tibiscus’ University of Timișoara, / Faculty of Computer Science and Applied Informatics, 6 Lascăr Catargiu Street, 300559, Timișoara (România)

I obtained a Bachelor’s Degree in Computer Science, acquiring competencies in programming languages such as C, Java, and Visual Basic; web technologies (HTML, PHP, Flash); database management (MySQL, Access); as well as skills in office applications, internet technologies, and graphic design tools such as Photoshop and CorelDRAW..

Bachelor’s Thesis: Design and Development of an Information System for Online Testing

- Developed a web-based application for creating, managing, and administering online tests.
- Implemented functionalities for user management, test generation, automatic evaluation, and result storage.
- Used technologies such as HTML, PHP, and MySQL for application development and database management.
- The system supports efficient assessment and monitoring of students’ knowledge in an online environment.

2000 Certificate of Completion – Computer Science Course

Ministry of National Education – ELINF, Timișoara (Romania)

PC operation – Windows 98, MS Word, MS Excel, MS PowerPoint, MS Access, Computer Networks, and Internet usage.

PERSONAL SKILLS

Mother tongue(s)	Romanian language				
Foreign languages	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B2	B2	B2	B2	B2

Levels: A1 and A2: Basic user – B1 and B2: Independent user – C1 and C2: Proficient user
 Cadrul european comun de referință pentru limbi străine

Communication skills

Extensive experience in supervising bachelor’s and master’s theses, having guided over 200 students in the development of their final projects since 2012.

Significant experience in coordinating the Erasmus mobility programme at the institutional level since 2021, involving a considerable number of students and academic staff and contributing to the development of important international academic partnerships.

Since 2019, as Director of the Multidisciplinary Informatics Research Center, I have coordinated the student research journal *Creative Apps* dedicated to interdisciplinary research, promoting collaboration and innovation among young academic talents. <https://www.creativeapps.ro/>

Coordination of a student scientific conference, periodically organized at national and international level, providing students with a valuable platform for academic exchange and research development.

Through my roles as Head of Department, Dean, President of the University Senate, Erasmus+ Institutional Coordinator, and member of conference organizing committees, I have demonstrated strong teamwork, communication, and interpersonal skills, while coordinating complex educational and administrative activities within the university community.

As a university lecturer and associate professor, I have delivered courses and laboratory sessions at a high scientific level, providing students with essential knowledge and developing teaching materials and laboratory guides to support their learning process.

Member of the Quality Assurance Committee of the Faculty of Computer Science and Applied Informatics from 2010/2011, where I collaborated with academic teams to implement and monitor educational quality standards.

Organisational / managerial skills

Editor-in-Chief, Creative Apps – Student Journal in Multidisciplinary Informatics. (2019 – present)
 Director, Multidisciplinary Informatics Research Center (CCIM). (2029 – present)
 IEEE Member (2020–present) – Member of the world’s largest professional technical organization dedicated to advancing technology for the benefit of humanity. <https://www.ieee.org/>
 Planning, resource, and time management skills, developed through leadership and administrative roles within universities and partner institutions, where I coordinated complex projects, educational activities, internships, and volunteer initiatives, ensuring their effective implementation (UTT, UVVG, StudentPlus, BusinessPlus – 2019–2022, Montessori High School, Danubius University of Galați, IPCS).
 Member of the International Advisory Committee, International Conference on Distributed Computing and Electrical Circuits and Electronics (ICDCECE 2023), Ballari Institute of Technology and Management, Ballari, Karnataka, India.
 Editor, International Journal of Supervision in Psychotherapy, Issue 5 – 2023, Issue 6 – 2024.
 Member of the Organizing Committee of the symposium “Actualities and Perspectives in Hardware and Software (APHS)”, Faculty of Computer Science and Applied Informatics, 2015, 2017.
 Member of the Organizing Committee for activities within the annual educational event “School Otherwise: Learn More, Be Better!” (2013–2018).
 Member of the Scientific and Organizing Committee of the Student Scientific Communications Session, “Tibiscus” University of Timișoara (2015–2019).
 Editorial Board Member, Annals – Economic Sciences Series, Timișoara (2021–present).
 Editorial Secretary (2009–2015) and Deputy Editor-in-Chief (2015–2023) of the scientific journal Annals. Computer Science Series. <http://anale-informatica.tibiscus.ro/>
 Associate Editor, Annals. Computer Science Series Journal.

Job-related skills

Advanced competencies in higher education and scientific research, developed within the Faculty of Computer Science and Applied Informatics and research centers, as well as leadership and decision-making skills acquired through roles such as Dean of the Faculty and President of the University Senate. These positions involved managing teams, resources, and complex academic and administrative projects, contributing to the institutional development of the university.
 Quality assurance and accreditation experience, ensuring the connection between the faculty’s internal evaluation report and the ARACIS evaluation commission, coordinating the preparation of documentation required for institutional accreditation and evaluation. This involved close collaboration with all faculty departments to ensure compliance with national academic and quality standards.
 Active participation in national and international conferences in fields such as computer science, engineering, psychology, and teacher training (DPPD), contributing to continuous professional development. Experience in academic quality assurance processes as a member of the faculty quality committee. Extensive mentoring experience through the supervision of bachelor’s and master’s theses, supporting the academic development of young graduates.
 Experience in e-learning and e-commerce, including the implementation of innovative digital solutions for education and business environments.
 Coordination of student teams in the development of institutional software applications, including a grade management system (note.tibiscus.ro) and a web application for managing the university library, contributing to the digitalization and improvement of internal academic processes.

Computer skills

My digital competencies include programming languages such as *C/C++*, *Java*, *Matlab*, and *Visual Basic*, as well as experience in *web technologies and web application development (HTML, PHP)*. I have worked with *database management systems, particularly MySQL*, and have experience in designing and developing software solutions for educational environments.
 I also have experience in *artificial intelligence and applied computing*, particularly in areas related to *image processing, pattern recognition, and computer-assisted evaluation systems*, developed through research and teaching activities.
 I have experience in *graphic design and digital content development*, using applications such as *CorelDRAW and Adobe Photoshop*, as well as knowledge of *web design principles and website aesthetics*.
 Additionally, I possess strong skills in *database management, software development, and digital system design*, acquired through both teaching and research activities. My experience also includes the development of *educational and institutional applications*, such as systems for *online testing, grade management, and university library management*.
 I have advanced proficiency in *Microsoft Office (Word, Excel, PowerPoint, Access)*, which I

regularly use for *academic administration, documentation management, research reporting, data analysis, and preparation of teaching and presentation materials.*

I also have experience with *e-learning platforms, digital education tools, and online learning environments*, supporting the development and implementation of *modern educational technologies and digital learning solutions.*

Driving licence B1, B

ADDITIONAL INFORMATION

Publications

I have published numerous scientific papers indexed in international databases (BDI and ISI), as well as books, teaching materials, and laboratory manuals. My research focuses on areas such as computer science, image processing, artificial intelligence, pattern recognition, and interdisciplinary applications.

My doctoral research, completed at Politehnica University of Timișoara, addressed the topic “*Contributions to the Computer-Assisted Evaluation of Psychological Tests Using Image Processing Techniques*”, combining computer science, image processing, and psychological assessment methodologies.

I have actively participated in national and international scientific conferences, presenting research results and contributing to the dissemination of knowledge in fields such as computer science, digital image processing, artificial intelligence, e-learning technologies, and interdisciplinary research.

In addition to research publications, I have contributed to the development of academic resources, including teaching materials, laboratory guides, and educational applications, supporting modern teaching methods in computer science and digital technologies.

I am also involved in editorial and scientific activities, serving as Editor-in-Chief of the student research journal *Creative Apps* and participating in the editorial and scientific boards of academic journals and conferences, promoting interdisciplinary research and the dissemination of scientific knowledge.

Projects

Member of the Coordination Team, Erasmus+ Project GreenToC (2024–2026), KA210-SCH-939AC9D8 – Small-scale partnerships in school education, with “Tibiscus” University of Timișoara as project partner.

Project Coordinator, Erasmus+ Programme / Project No. 2025-1-RO01-KA131-HED-000341055/ Beneficiary: “Tibiscus” University of Timișoara, OID: E10193983, Erasmus Code: RO TIMISOA07.

Project Coordinator, Erasmus+ Programme / Project No. 2024-1-RO01-KA131-HED-000228804 / Beneficiary: “Tibiscus” University of Timișoara, OID: E10193983, Erasmus Code: RO TIMISOA07.

Project Coordinator, Erasmus+ Programme / Project No. 2023-1-RO01-KA131-HED-000135763 / Beneficiary: “Tibiscus” University of Timișoara, OID: E10193983, Erasmus Code: RO TIMISOA07.

Project Coordinator, Erasmus+ Programme / Contract No. 2022-1-RO01-KA131-HED-000068389 / Beneficiary: “Tibiscus” University of Timișoara, OID: E10193983, Erasmus Code: RO TIMISOA07.

Project Coordinator, Erasmus+ Programme / Contract No. 2021-1-RO01-KA131-HED-000010791 / Beneficiary: “Tibiscus” University of Timișoara, OID: E10193983, Erasmus Code: RO TIMISOA07.

Trainer, Project “Development of Digital Competences in the West Region”, Project Code SMIS 143042, THINK DEVELOPMENT & CONSULTANCY SRL (August–December 2023).

Trainer, Project “Green Jobs for a Green Life”, co-funded by the European Union through the Education and Employment Programme 2021–2027, Project Code SMIS 308601 (August–September 2024).

Coordinator and participant in educational and development projects within the Student Plus Foundation Timișoara (2019–2023).

Web Designer, Erasmus+ Project “Discover Real Everywhere Applications of Math – DREAM” (2016–2018), Project No. 2016-1-RO01-KA201-024518, “Tibiscus” University of Timișoara.

Participant, Project “Arad – Smart City Tour” (2017), organized by “Vasile Goldiș” Western University of Arad.

Erasmus Exchange Grants (2008, 2014) at the Faculty of Electrical Engineering and Computer Science, University of Applied Sciences Oldenburg/Ostfriesland/Wilhelmshaven, Emden, Germany. Project participant, “My Career – My Challenge!” (2014–2015), POSDRU/161/2.1/G/137512.

Project participant, “CPTM – Training Centre for Pre-University Teachers in Multimedia Teaching Techniques” (2012–2014), POSDRU/87/1.3/62626, funded by “Tibiscus” University of Timișoara.

Invited participant, 18th International Congress of Pan-Romanian History and Culture, organized by the “Astra Română” Association for Banat – Iron Gates and Romanians Everywhere, Timișoara (October 9–12, 2009).

Participation in teaching activities

Participant, International Conference “*Innovative Solutions in Education*”, 13th Edition, December 4, 2025, International School from Qatar and EduMagic Academy.

Moderator and Member of the Scientific Committee, International Conference “*Educational Challenges in the 21st Century*”, 3rd Edition, October 28, 2025. <https://dppd.tibiscus.ro/conferinta-internationala-provocari-educationale-in-secolul-xxi/>

Invited Speaker, International Symposium “*Didactics of Sciences in the IT Environment and Art of STEAM*” (February 15, 2025), presentation: “*Is Durable Development a Necessity?*”. <https://didactica2015.com/english-version/invited-speakers/>

Participant, research program on the implementation of curriculum reform, *Innovative Solutions in Education*, EduMagic Solution (November 28 – December 19, 2024).

Member of the Scientific Committee, International Conference “*Supervision in Psychotherapy*”, editions 2023, 2024, 2025.

Member of the Organizing Committee and Moderator, International Conference “*Educational Challenges in the 21st Century*”, 2nd Edition, Department for Teacher Training (DPPD), “Tibiscus” University of Timișoara, November 22, 2024.

Member of the Scientific Committee, National Conference of Scientific Communications “*Educational Challenges in the 21st Century*”, Department for Teacher Training (DPPD), “Tibiscus” University of Timișoara, November 28, 2023.

Reviewer, *Multimedia Tools and Applications Journal* (Springer), 2023–2024.

Guest Editor, *Multimedia Tools and Applications Journal* (Springer), 2023. <https://doi.org/10.1007/s11042-023-14902-3>

External Examiner, doctoral thesis, VIT University, Vellore, Tamil Nadu, India.

Distinctions

Awards for artistic gymnastics performance during middle school, as well as recognitions from the library for outstanding activity as a consistent and dedicated reader.

“Eminent Student” Diploma (2005) – awarded by the “Orizonturi Universitare” Foundation in recognition of academic excellence.

Various awards and diplomas recognizing achievements in teaching and research activities.
